Re: Earn money for your school

Dear Sir or Madam,

Here is a fundraiser that requires little effort by you. The best part is you can earn up to 50% of the admission proceeds.

We are Skate on Grand Roller Rink, a family owned business that provides a clean and safe environment for families year-round. Roller-skating is not only fun, but is proven to be a source of exercise.

It's simple:

You pick a Sunday, Monday or Thursday evening in the month's of September-May

You pick the 2 hr time slot.

You communicate the event or we will give you a hand out to give to students

You collect your money the night of the event.

Time slot is for your students and their families only.

Program Information:

2 hours of open skate for the students and their families

\$7.00 admission per person, which includes standard skate rental

Paid Customers	Percent back to the school
50 to 74	20%
75-99	30%
100-149	35%
150-199	40%
200 or more	50%

For example: 100 paid customer X \$7.00=\$700 @ 35%, \$245 back to the school. The more that come the more you get back.

It's that easy!! Call to book your event 847-587-2351. Call soon to reserve your special date, prime dates are going fast, don't wait book now. Ask for Cheryl or Wally!
